A Short History of the Gamma Kappa Chapter

The path from the founding of the Colony on August 31, 1983, to the founding of the chapter has been at times difficult, gratifying and fun. The exact causes and forces that brought 18 strangers together and united them into a brotherhood are not easily explained, or for that matter, understood. However, the fact that 18 strangers were able to get together a year and a half ago, attract and grow to number 37 is a testament to the bond of fraternal brotherhood present within the colony.

These men came from many diverse backgrounds but pledged to uphold the customs and traditions of Phi Gamma Delta. They pledged to help their campus, community and each other. Each brother strives with great effort to become a worthy reflection of the Fraternity of Phi Gamma Delta, and on March 23, 1985, the Delta Colony was installed as the Gamma Kappa Chapter, the 123rd chapter of the Fraternity of Phi Gamma Delta.
