April 13, 1971

Dear Sir,

The 1971 spring pledge class of Iota Sigma would like to know if it would be possible to have our work out at your chapter house.

We have 30 pledges and most of us, plus some actives, will be in the group.

If it is possible, please let me know of some open dates. If the weekend of April 23 is open it will be fine with us.

Thank you
